## Member Profile

Dr. Thomas Moffett & his son, Dr. William Moffett, Harrisburg  
PDA members since 1975 and 2007

*Why did you join PDA?*

**T. Moffett:** I had a desire to be part of an organization that represents our profession.

*Why is it important for all dentists in the Commonwealth to be PDA members?*

**T. Moffett:** We need organized dentistry to support our values and education and to speak for our profession to the public and government.

**W. Moffett:** It is important to be a part of organized dentistry. It is nice to have a community of dentists around you with the same interests, struggles and needs.

*What member benefit provides the most value to you?*

**W. Moffett:** The legislative representation is probably the benefit I value most - having an organized voice in what happens to our profession. I also really enjoyed attending a New Dentist Reception. It helped me get to know a lot of my colleagues in the area.

*If you were not a dentist, what would you be?*

**T. Moffett:** An architect, educator or counselor.

**W. Moffett:** An actor.
