

There is Value in Membership

Member Profile

Dr. Beth Troy, Bethel Park
PDA member since 2008

Why did you join PDA?

I appreciated how easy it was to get involved in organized dentistry and how easy it was to give back.

Why do you feel it is important to maintain membership?

I like having an organization that supports and represents me, so I can focus more time on my patients' needs.

Why is it important for all dentists in the Commonwealth to be PDA members?

PDA is a great way to connect with colleagues and learn from each other.

What member benefit provides the most value to you?

Government relations.

If you were not a dentist, what would you be?

A music teacher.

What's on your iPod?

Coldplay, U2, Sting and Simon & Garfunkel.
